Number requirements  
Worker Responsibilities – Social Security  
Number requirements

**Summary**

Clarifying Information – Social Security  
Number Requirements

Clarifies procedures to remove individuals  
who fail to provide or apply for SSN  
without good cause and includes medical  
in this process.

Worker Responsibilities – Social Security  
Number requirements

Adds procedures for medical assistance  
under applying for an SSN – workers must  
set an alert and follow up within 60 days if  
the client has not provided the SSN.

Clarify that we do not code SSN fields for  
F05 newborns even if you have a SSN  
application. This will need to be updated  
at review for F06.

Update Good Cause section and who  
remains eligible without a SSN. Removed  
ETR process – no longer needed as client

<p>If not deliverable, return to: Distribution Center, MS: 45816 For distribution changes, notify: Manual Distribution: MS 45816 or call 360-586-8439</p>

has to have good cause or will be denied or removed.

Removed the reference that children are not terminated for a parent's failure to provide a SSN. The children will be denied or terminated if the parent does not have good cause.
